### EDUCATION AND TRAINING

#### BRITISH SCHOOL

##### DESCRIPTION

The British School has been operating in Campobasso since 1992. In accordance with the Common European Framework of Reference for the knowledge of foreign languages (CEFR), it offers a wide range of courses for all ages and for every type of need, from the basic level to the most advanced.

The ultimate goal of the courses is the homogeneous improvement in the 4 skills: reading, listening, speaking and writing.

Through a free entrance test, students are placed in uniform groups according to age and level of knowledge of the language.

The British School of Campobasso is a Cambridge Exam Center authorized to issue Cambridge ESOL Certifications. These are recognized in public competitions for obtaining scores; add value to the CV; can be presented in universities during the selection phase or for obtaining exemptions and much more.

At the moment there are English, Spanish, German and French language courses. Furthermore, professionals who wish to deepen the specific terminology for their profession can choose to attend professional courses, such as the Specialized Professional English course or specific courses with sector terminologies (English for special purposes).

It is possible to attend group, semi-individual or individual courses. The group course takes place from October to May and lasts 90 hours and the classes are composed of a maximum of 12 people.
